

## PRIVATE TELESCOPES AT RFO PUBLIC EVENTS

Welcome to the Robert Ferguson Observatory (RFO). We appreciate your interest in RFO and your willingness to share your enthusiasm for astronomy with our visitors. In exchange, we ask that you read and abide by these rules. Our goal is to provide a unique, informative and enjoyable experience for all. ***By setting up your equipment at this RFO event you agree that you have read and will abide by these provisions.***

- Please comply with all requests or instructions from RFO volunteers and State Park Rangers.
- Please fill out the form below and give it to the RFO volunteer when requested.
- Your participation at this event is voluntary. Neither RFO nor the State can be responsible for loss or damage to your personal property or equipment that may result as a consequence.
- Please be courteous and respectful to all members of the public. If you encounter any problems, please inform an RFO volunteer or Park Ranger.
- You are expected to allow all public visitors who wish to do so to view through your observing equipment. Please take care to assure that they do so safely by pointing out hazards in the dark, such as protruding supports and the like.
- We encourage you to answer questions that people may have about your equipment and the objects that you are viewing. However, for questions that are more general in nature, or for which you are uncertain of the answer, please refer these folks to the RFO Docents.
- Please comply with all Park regulations. In particular, the use or consumption of alcohol or any other intoxicating substances is **STRICTLY PROHIBITED** by all persons providing services to the public at RFO events!

Once again, thank you! And welcome to RFO!
